

Physical Education Teacher Opening — Part-Time (F Status)

Location: 424 Albee Square West, 4th Floor, Brooklyn, NY 11201

Supervisor: Principal Corinth Hunter

Compensation: F Status educators are paid in alignment with the [UFT contract](#)

Grade(s): 9th grade only for 2023-2024 school year

[Design Works](#) is a new public high school that will empower students to advance justice in their Brooklyn communities by specializing in one of three pathways: equity in technology (i.e., coding and programming), equity in art (i.e., graphic design), and equity in housing (i.e., architecture) with the support of our partner institutions: [the Pratt Institute](#) and [Bank Street College of Education](#).

As we welcome our inaugural freshmen class of just under 100 students in September, we are seeking an excellent physical education teacher to work part-time/on F Status.

This person will teach:

- One 40-minute class daily from 11:46 a.m. - 12:26 p.m
- Sections of ~40-50 ninth graders per class

To be eligible for this role, you must be a certified New York City physical educator.

Design Works will welcome one additional grade with each school year until we are a full 9-12 high school. As a result, there is potential for this role to become full-time in future school years.

Anyone interested should email designworkshshiring@gmail.com.
